McKinney-Vento Services - Educational Rights of Students Experiencing Homelessness

Legal Prep Charter Academy complies with the McKinney-Vento Homeless Assistance Act, which ensures educational stability and access for students experiencing homelessness.

Students experiencing homelessness have the right to:

- immediate enrollment in school even if typically required documents are unavailable
- attend school while missing enrollment records, immunization records, or proof of residency are obtained
- receive support services to help ensure full participation in school
- remain enrolled in their school of origin when feasible and in the student's best interest

Families who believe their child may qualify for services under the McKinney-Vento Act should contact the school administration (Melissa Almazan at malmazan@legalprep.org) for assistance.
